FORTUNE TELLER

How to Use: Use this fortune teller to show your colleagues and friends the hidden benefits of choosing alternatives to driving alone! Cut out the square and follow the instructions to fold. Then ask players to make a choice from the four options. Open and close the fortune teller spelling out the words of the panel they selected. After two turns, open the flap to reveal a fortune!

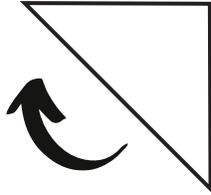

HOW TO FOLD

1

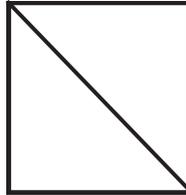

Cut out the square, lay flat on a table with the design side up.

2

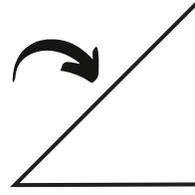

Fold the square in half to create a triangle. The design should be on the inside.

3

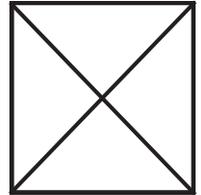

Unfold so the design is face up.

4

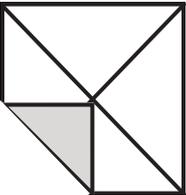

Fold the opposite corner down, the design should be inside.

5

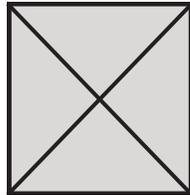

Unfold, the design should be face down.

6

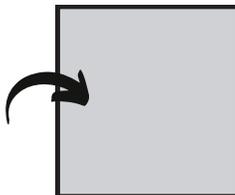

Fold all 4 corners...

7

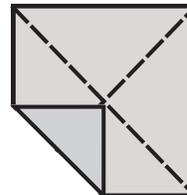

into the center. The design should now be on the outside.

8

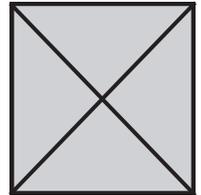

flip the entire square over, there will be design on this side too!

9

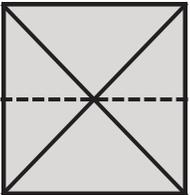

fold all 4 corners...

10

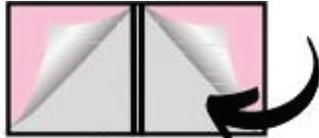

into the center.

11

fold in half the numbers should be inside..

12
